☎ +91 8179118652

Personal Profile

Professional MEP Engineer with 3 years of experience in MEP modelling for residential and commercial projects. Skilled in developing detailed HVAC, plumbing, firefighting, and electrical models using industry-standard software. Experienced in preparing shop drawings, clash-free coordinated models, and ensuring compliance with project standards and specifications. Dedicated to delivering high-quality work with strong technical, analytical, and problem-solving skills.

Recent Project -Worked

- Yashoda Hospital Expansion – Hospital Project @ Hyderabad, India
- Kempegowda International Airport – T2 MEP Modelling Project @ Bengaluru, India

Work Experience

- | | |
|--------------------------------|----------------------------|
| • GreenKo Group | GET- PMC |
| Hyderabad - India | Feb 2025 – May 2025 |
| • Magnasoft Consulting india | Trainee Engineer |
| pvt ltd | May 2024 – October 2024 |
| Bengaluru -India | |
| • DeltaT MEP Technical Academy | BIM MEP Modeller |
| Bengaluru –India | February 2023 – April 2024 |

Key Responsibilities

PHE – Design and Drafting

- Familiar with various PHE Systems, Components and their Working Concepts.
- Capable of designing and routing & Sizing Chilled water Piping system including domestic cold and hot water system.
- Capable of designing soil, waste, rainwater and vent piping system as per plumbing standards
- Capable of preparing PHE layout drawings, schematic diagrams.
- Capable of drafting work for water supply, drainage and firefighting systems.

Revit – MEP (PHE)

- Capable of creating 3D Model for PHE, Fire Fighting, HVAC service in Revit environment.
- Capable of creating 3D Model with reference to Architecture Layouts.
- Capable of creating Family Objects in Revit environment.
- Creating different work sets and making central files.
- Studying cad design and implementing the same model.
- Converting 3D Model files to NWC, DWG, PDF files, drawing as per standards.
- Maintaining proper file location and REVIT work set details.
- Using Navis work for coordination check.

Education Attainment

- | | |
|--|--|
| • Bachelor of Technology
2020 - 2023 | Mechanical Engineering
Annamacharya University- India |
| • Diploma in Mechanical Engineering
2017 - 2020 | Mechanical Engineering
Vasavi polytechnic – India |

Professional Software skills

- 3D Modelling
- Designing
- Clash detection
- Pointcloud
- MS Office

Autodesk Revit MEP
Autodesk Autocad
Autodesk NavisWork
Autodesk ReCap
Excell (Mid-level)

Personal Details

- DOB: 10th August 2002
- Nationality: Indian
- Marital Status: Single
- Passport: V9881387

Language Proficiency

Telugu:	Speak	Read	Write
English:	Speak	Read	Write
Hindi:	Basic		

Declaration

I hereby declare that the above details are true to the best of my knowledge and belief.
